

The background of the slide is a photograph of a school building. A wide, light-colored paved walkway leads from the foreground towards the building. The walkway is flanked by grass and trees with vibrant autumn foliage in shades of orange, red, and yellow. The school building in the background has a brick facade and large windows. The sky is a clear, pale blue.

Great Neck South Middle School

The mission of Great Neck South Middle School is to support students academically, socially, and emotionally by providing a safe, respectful, and inclusive environment in which their diverse needs are met as they transform from children to young adults. Individuals are empowered to make responsible choices and work diligently as they strive to become critical thinkers and effective problem solvers. The rich diversity of the SMS community successfully creates an environment for active participation in multicultural school experiences. An ever-evolving school, South Middle is committed to integrating the newest educational technologies to promote and reinforce 21st century skills. An alliance of administrators, community members, educators, parents, and support staff share the common goal of providing an exemplary education as they encourage students to reach their full potential, never losing sight of the joy inherent in teaching and learning!
