

# Night of the One Acts: Make-Up Application

## Actresses:

Apply the following make-up items generously.

- **Foundation: (Liquid or Powder)**
  - Select a color that is one shade darker than your actual face.
  - (Preferably more matte and less oily, so that you aren't dripping sweat.)
- **Blush:**
  - Select a bright color and apply it generously all over the cheeks.
- **Eye Shadow:**
  - Use Matte Brown/Neutral Eye Shadow
  - (Choose a color that corresponds with your skin tone or outfit.)
- **Lip Color:**
  - Apply a color that is two shades darker than your actual lip tone.
  - (If possible, use a lip liner, as well.)
- **Eyeliner:**
  - Use brown or black eyeliner along both lash lines.
- **Mascara:**
  - Use black mascara.

## Actors:

Apply the following make-up items generously.

- **Foundation: (Liquid or Powder)**
  - Select a color that is one shade darker than your actual face.
  - (Preferably more matte and less oily, so that you aren't dripping sweat.)
- **Blush:**
  - Select a bright color and apply it generously all over the cheeks.
- **Lip Color:**
  - Apply a neutral color that is one shade darker than your actual lip color.
- **Eyeliner:**
  - Use brown or black eyeliner along both lash lines.
- **Mascara:**
  - Use black mascara.

**Important Note:** You can never wear too much make-up, unless you are playing a child. The stage lights will wash out your face.
