

Let's Get to Know Each Other!

It's really important that we get a good picture of what will make this year a success for your child. Please take some time to answer these questions to help us achieve that goal.

1. What were some of your child's favorite memories from last school year?
2. What do you think your child was most proud of from last school year?
3. What do you want your child to achieve this school year?

4. What makes your child excited about learning?

5. What do you and your child like to talk most about when it comes to school?

6. What can we do together to make this a great year for your child?

7. What other things do you want to share about your child?
